M /19 cont./
*101 (4) Yeh T'ou Miao. — This group also belongs to the He
CC Miao. When a girl is married, she must marry the son of her
563 maternal uncle. If the latter has no son, he must be given
M presents of ornaments and money. Otherwise she may not
[582] get married at all.

(5) Tung Tsai Miao. — They are not as numerous as the Yeh T'ou Miao, and live in separate villages. The Yeh
M Tou villages are known as the Big Villages and the Tung Tsai
[628] ones as the Small Villages, the latter being subservient to the
[584] former. Marriage is restricted to their own villages. A secret
[502] marriage to a member of a big village is a violation. The Tung Tsai are good boatmen. In Mi-no these are such tribe-
M men.
[345] (6) Pa Chai Miao. — This group is also a part of the He
[533] Miao. Near the village is provided an empty shed, where un-
[517] married men and women gather together to sing. If a couple
[584] fall in love, a cow is sent as a betrothal gift. One or two days
[583] after marriage the girl goes back home and still asks for money from her husband. If the money is not given she may marry again. In Ya-yu this custom still exists today.

/20/ (7) Ch'ien /Bamboo Grove/ Miao. — Another
M branch of the He Miao, there are many at Lieh-erh-shan.
[241] They live in dense bamboo groves on the mountain. They are
[262] not good at farming but grow some grain. They consider
[291] hempseed to be food and use hemp for their clothes.

(8) Ch'ing Chiang He Miao /Ch'ing River Black Miao/. —
[882] The unmartied men are called "lohan" and the unmarried
[527] women, "laopei." In the spring they carry wine and food up
[584] the mountain, singing and dancing reciprocally. Those who
[851] become fond of each other drink from an ox horn and get married. After a son is born, they then say they have a
[167] descendant, and begin to be willing to work in the field.

(9) Pe /White/ Miao. — They originated in Kwei-ting
[291] and Lung-li in Kweichow. They esteem white clothes, go
[302] bareheaded and barefooted, and coil up their hair with crude
[782] hairpins. A big bull is selected for the ancestral sacrifice.
[769]

/93 cont./
551 adopted their ways. Among the Shih /"rock"/ and Lung /"dragon"/ there are the Ta /"big"/ Shih and Shao /"small"/ Shih, the Ta Lung and Shao Lung. Shao Shih is also written with the character shih meaning "time," and Shao Lung, also with the character lung meaning "eminent." Although they 582 have surnames, they do not have a closely knit organization [614] of family clans, and so formerly they did not object to marriage between people of the same surname. However, no marriage [177] was permitted between close relatives. In recent years they have come under Chinese influence, and know that people of [551] the same surnames must not marry. Shao Shih /"small rock"/ was changed to be written with the character shih meaning "time," and Shao Lung /"small dragon"/ was changed to be written with the character lung meaning "eminent," in order to separate them from Ta Shih /"big rock"/ and Ta Lung /"big dragon"/, so that they could intermarry. Today, Miao family 177 life has become more and more like that of the Chinese, and 594 marriage and funeral rites largely follow Chinese customs, 764 barely retaining remnants of some Miao customs.

(2) Marriage

836 /94/ Among the Miao the premarital sex life of the young men and women is rather free. When a virgin has intercourse with a man, her parents know about it but do not forbid it. On the contrary, they consider this evidence that the man finds their daughter desirable. Sometimes, the girl brings home her lover, and her parents will kill a chicken to entertain him. [345] There are even public houses set up specially for the use of young men and women to gather together. For instance, in Chapter II reference was made to the Pa Chai Miao, recorded in Yung-sui T'ing Chih, to the effect that an empty shed was built near the village, where unmarried men and women gathered [584] together to sing. If a couple fell in love, a cow was sent as a [517] betrothal gift. Again, the unmarried men among the Ch'ing [533] Chiang He Miao were called "lohan"; in the spring they would
